Vision 2027

1. Building a Church with One Heart and Mind
2. Building a Church of Selfless People
3. Building a Church without Any Needy Person
4. Ensuring All Needs Are Catered For
5. Empowering All Members to Fulfill Their Mandate
6. Creating an Enabling Environment for Each Person to Function
7. Reaching the End of the World to Preach the Gospel

1. Building a Church with One Heart and Mind

- Foster a culture of unity and cooperation among members through regular prayer, fellowship, and shared vision casting.
- Encourage open communication and collaboration, allowing everyone to contribute their ideas and talents towards common goals.
- Provide opportunities for small group gatherings, where members can build deeper relationships and support one another spiritually and emotionally.

2. Building a Church of Selfless People

- Teach and exemplify the principles of selflessness, generosity, and servant leadership from the pulpit and through practical examples.
- Organize outreach programs and community service projects to actively demonstrate love and compassion to those in need.
- Create a culture of giving and sacrificial living, where members prioritize the needs of others above their own comfort and convenience.

3. Building a Church without Any Needy Person

- Establish a benevolence ministry or fund to provide financial assistance, food, and other necessities to members facing temporary hardships.
- Develop support systems and networks within the church community to identify and address individual needs promptly and effectively.
- Encourage mutual support and accountability among members, fostering a sense of belonging and care for one another.

4. Ensuring All Needs Are Catered For

- Conduct regular assessments to identify the diverse needs of the congregation, including spiritual, emotional, physical, and practical needs.
- Develop comprehensive support programs and resources to address these needs holistically, including counseling services, financial planning workshops, and skills training sessions.
- Partner with local organizations and agencies to leverage additional resources and expertise in meeting specialized needs, such as healthcare, education, and employment support.

5. Empowering All Members to Fulfill Their Mandate

- Provide discipleship and leadership training programs to equip members with the knowledge, skills, and spiritual maturity to fulfill their God-given purposes.
- Encourage individuals to discover and develop their unique gifts and talents, offering mentorship and opportunities for personal growth and development.
- Create platforms for members to share testimonies of God's faithfulness and the impact of their ministry efforts, inspiring others to step out in faith and obedience.

6. Creating an Enabling Environment for Each Person to Function

- Cultivate a culture of honor and respect, valuing each person's contribution and recognizing their inherent worth and dignity as children of God.
- Provide practical support and resources to remove barriers and obstacles that may hinder individuals from fulfilling their calling, such as access to education, technology, or transportation.
- Foster a spirit of encouragement and affirmation, celebrating both small victories and significant milestones in the journey of faith and service.

7. Reaching the End of the World to Preach the Gospel

- Embrace a missional mindset that prioritizes evangelism, discipleship, and social justice both locally and globally.
- Engage in strategic partnerships and initiatives to support missions and church planting efforts in unreached or underserved areas.
- Equip and mobilize members for evangelism and outreach through training, prayer, and practical support.
